## DESCRIPTION

1960`s / 70`s. Suitable for fitment to Jaguar E Type, Mk2, Aston Martin, AC. Bentley, Ford etc. Never restored or varnished and only very little use hence as it left the factory, feels wonderful to hold. This wheel has a slight patina that a modern steering wheel cannot replicate. 15 ins diameter. Owned for 50 years in my automobilia collection and treasured all that time.
