**DESCRIPTION**

Very reluctant sale of my 1275 GT fondly known as Alphie I've owned him since 2007, he's fairly original. He sports the usual 70s deck chair interior. Cream carpets but I do have his originals and spare interior. He looks pretty sharp sporting his lotus colours. He runs and drives beautifully. Tho a little walk ward in the cold. The previous owner gave his engine a little tweak, bigger valves hardened seats etc. the bad bits, he's gets getting a little tired round the edges. But he still polishes up to be a stunning little head turner. Not to many of the GTs left as most where raced. Please no time wasters
