**DESCRIPTION**

1954 Morris Minor split screen, factory convertible. Fitted with 948 cc engine, original smooth case gearbox, beautiful original interior, new hood, very solid underside, drives like new, semaphore indicators operate correctly and they have flashing bulbs. Good tires, drives and handles as new. The car is MOTed and I will renew the MOT when it is sold. Some blemishes on the paint work other than that it is a lovely car. The car is ULEZ exempt.
