DESCRIPTION

JAGUARY XJSC CABRIOLET 1986 Cherished and garaged for 37 years, in lovely condition, much admired. Stunning Jaguar red paintwork with oatmeal interior. 3.6Litre fuel injected

Jaguar XJ-C 1986**Price £15,000**

engine & 5 speed manual gear-box. Only 279 of this model was produced. Car handles superbly, these open-topped grand touring Jaguar's offer amazing comfort, luxury and performance. Low open-top cars in this condition are becoming very rare and collectable. This is a manually operated Targa topped XJS SC, which was discontinued in 1988 for the new all power operated convertible, which had six relays and a hydraulic pump, which was very unreliable. Also available a Daimler, 4 litre supercharged V8.
