DESCRIPTION

Just out of storage my personal BMW E36 convertible ..I looked for months at lots of tatty cars before buying this car.... Delightfull BMW 328i AUTO in Orient blue metallic.Just 83,000 miles from new+service history+12 months MOT+ Only three owners in total unlike most that have ten plus !!! Completely standard and original car other than modern stereo+ never been welded or needs welding. Everything works as it should+full power dark blue roof+ electric windows front and rear+ full light grey sports leather interior+ alarm and immobiliser+ glovebox torch as supplied with from new+ full inner boot lid toolkit with nothing missing+original and correct E36 alloy wheels+ rear park sensors+airbags+ a very nice E36 with the best engine not been messed about with. Drives lovely. Ready to go to car shows or great summer car only ever going up in value in this condition and low mileage for age. Part exchange possible.
