DESCRIPTION

1990 Excel SE, Black, beige leather interior, MoT 10/2024, stainless steel exhaust, limited slip diff. Drives as a Lotus should. Engine rebuild 2006. Have had the car for nine years, it is regularly used and in very good condition although not 'showroom' which is reflected in the price. Lots of history. Selling because frankly I am getting a bit long in the tooth to do it justice! Offers welcome.
