DESCRIPTION

Three door hatchback 'Bread van'. Manual, 4 speed. First registered: 1st September 1989. Mileage: 53516. MOT valid until 5th November 2024. Good MOT History. It runs well, it is in great condition, good bodywork considering its age. It has just been thoroughly valeted inside, engine bay and outside. Comes with original Blaupunkt autoradio. It is located in Melton, Suffolk. It has had 3 owners including myself. Before me, it belonged to my grandma for at least 8 years and loved it. Over the past year has been stored off-road and occasionally run to maintain the engine. I had it valeted on 06/03/24. I am only selling it because my grandma has passed away and I can't give it the attention it deserves. It's a lovely car that my grandma treasured and would still be driving it if she were alive today.
