**DESCRIPTION**

Remember the Autojumbler paper which is sorely missed! Well this is glossy replacement with far more features for collectors! This is a superb magazine with everything for the serious collector of Automobilia, Metal Car Mascots, Lalique Glass Hood Ornaments, Badges, Dashboard plaques, Classic car memorabilia, Petroliana, Pedal cars, Toys, Models, Scalextric, Reference books, Posters, Oil paintings, Prints, License plates, Presentation trophies, Grand Prix memorabilia etc. Great interviews with well know personalities, automotive book reviews etc. Including monthly up to date auction results... In fact you name it it's in here! I have back issues, for a latest sample issue please send £5 (post free) via PayPal or wire into my account please. You're not committed to subscribe, but you can on the internal form. Note that I'm not an agent for the magazine, I'm a private person & collector of automobilia.
