**DESCRIPTION**

50kph Autoquad, front linkage, only 4303 hours! This tractor has a lot of spec including air and hydraulic brakes, front and rear suspension, 3 spools, pick up hitch, panoramic doors, twin beacons, air con, passenger seat, field office. It comes fitted on a very good set of 540/65R28 and 650/65R38 BKT's. Also been fitted with a year 2020 Quicke Q4 front loader. It all adds up to a very nice, comfortable and able tractor and being a pre- AdBlue model it should be a reliable machine!
