DESCRIPTION

White Citroen Berlingo Van, in good condition with a few marks as you'd expect. Full service history and MOT until July 2024. Two recently new front tyres, coil spring and front brake discs. Everything in working order, clean and tidy. Seats recently been cleaned. A very reliable van, good on fuel. Selling as was bought for taking stuff to our house up north and bringing rubbish back and now we don't need it as we have completed renovating our house. Issues with van are a small crack on the windscreen and the bonnet prop clip is broken as shown in photos. Questions and offers welcome
