DESCRIPTION

2-8 Strait 6, Manual, Wide body, full service history whilst I have owned it. Obviously has been well looked after. Not concourse but very smart. New MOT Early July. Phone after 9am please. No texts. Additional information: 5 speed manual gearbox, Limited slip Diff, larger 17" Staggered style 32 Wheels powder coated in Candy Apple dark red Metallic! To allow for extra large front disc brakes. All original wheels tyres and brakes available to put back to standard. Nearly new Falken Tyres, nearly new Varta Battery. Wheel bearings, brakes, suspension etc. all recently overhauled. All tools, drivers hand book, and Bentley workshop manual. Tonneau cover. Plus loads of spares etc. Well sorted car ready to enjoy. Reason for selling I am over 80 and need something more sensible! Things that don't work: Electric Hood, got the motor, not fitted but easy to put up by hand anyway. Air-conditioning has been removed. Who needs Air-con in an open car anyway? Electronic traction control system has been disabled as I am told they never work properly and you already have Limited Slip diff. You cannot use the spare wheel as it won't fit over the bigger brakes. You could use on the rear and possibly swap the rear wheels to the front but I have never tried to see if they will fit.
