DESCRIPTION

Wanted. Do you have a 1950's to 1990 motorcycle that is no longer wanted, ANY condition, from a box of bits in your loft/garage to a complete bike, blown up, seized, crashed, rusty, neglected.. I want them to play with, rebuild some, break others, It keeps me sane. I want them for free, or so cheap I cannot say no because this is not a business it is a love of bikes & tinkering. If it is in your way & financially viable for me to travel to you from Frome or Minehead (a friend) to collect then please call. ANYTHING from a Puch Maxi to a GL1200, AJS to Zundapp, Thankyou for taking the time to read this, please tell your friends or relatives that want to clear their bikes as well (sorry but i will dispose of Chinese bikes if local & plastic scooters BUT I do not like them, I do not work on them, i will do so for free to help you out but never will i buy one). ALL collected bikes will be recorded as transferred to me through DVLA so removing your responsibility for them, SORN, etc.
