#### Price £0

# What and Why is Dusthin Film Collection? **ITEM** For over 40 years the Dusifien Felm Collection, have been rescuing old 16mm films. They turn up is all sort of unlikely places but it means that we are reliant on what we are offered rather than what we would like. With few exceptions the films were not intend for cinema. Neither do we go for films that othes collectors spocialise in We have now converting some to DVDs. This means for the first time a individual can buy a copy reasonably enough to DEALER keep. (Most DVDs are less than (15). They are on varied topics and some DVDs include several different films on different sol pects. Transfer quality is much inferior to professional quality. South West Even if 90% of our films are not of interest that still leaves pleasy to choose from What is more you are very unlikely to be able to buy the same title anywhere else. A list can gives only brief descriptions. The ones on ellay have much fuller description. These DVDs are surful for provide one of the class samplings to parameters They multiple units firms that enclosered y concentrate on a performance depressed must general forms which more not touch on the subject. Some of the Dima are described as increased et al. The DVD1 is bold type represent the best sales of them.
