DESCRIPTION

An original right-hand drive 'C16'-code UK-market car. Under the rear engine lid sits the water-cooled 300hp 3.4-litre 'M96' flat-six, which drives all four wheels through a five-speed Tiptronic automatic transmission, with shift buttons on the steering wheel. This 911 is offered with a new MOT - April 2024 and fresh service from Porsche Main dealership Cardiff. Just 16,247 miles from new and has been stored in a heated private garage. Designed as a grand tourer, the Porsche Carrera 4 Cabriolet was the base all-wheel-drive version for the open-top 911 range. This 996 Carrera 4 Cabriolet is finished in Paladio over a black leather cabin. It rides on a set of 18-inch Turbo twist alloy wheels with silver callipers and Michelin tyres. Factory-fitted equipment includes electrically adjustable front seats, a trip computer, and climate control. A colour-matched factory hard top is included with the vehicle, allowing for more refined year-round use. Accompanying the car is the owner's book pack, service book, various invoices, spare wheel, jack, towing eye, and three keys. Please refer to the photo gallery to assess the exterior and interior condition. The paint is excellent and shows little to no damage, while inside, the interior is all original and the seats present in great condition for its age, showing only light wear on the seats, and automatic gear selector. SERVICE HISTORY Remarkably, this vehicle has only covered a fully documented 16,247 miles therefore this Porsche 996 Cabriolet

has hardly ventured far and has been treasured as part of a collection and maintained to a high standard. It is offered for sale with a current V5 registration document and a history file containing the original owner's manual, service record book to back up the mileage. Now, the vehicle is ready to be enjoyed by a lucky new owner, where it will no doubt serve as a fantastic addition to a collection. SUMMARY More usable all year round thanks to the hard top and all-wheel-drive system, this Porsche 996 Carrera 4 Cabriolet is a wonderfully capable sports car. Finished in the lesser-seen hue of Paladio Metallic and presented in excellent overall condition, it will make a fun daily driver or weekend cruiser for its next owner.
