DESCRIPTION

Dodge power Ram 150 custom left hand drive W150 pick up. Dodge Ram has had rear lights converted to British. Total brake rebuild last year, but have faded. 4 wheel drive vacuum system on front axle needs a part and reinstating. Work shop Manuel available. Good tyres all round. Minimal rust. Dent over screen on roof, treated and part filled. Started and run last year. New battery just fitted ready to start again. Original purchase documents available.
