DESCRIPTION

5.0 Signature Edition - MK 64 SNV. Italian red metallic paint- Ivory trim. A reluctant sale of my special "cat" due to impending knee surgery which means I will not be able to get in or out of the car because of its low carriage. The car was first registered in September 2014. I purchased it in September 2016 from Rybrook, a Jaguar dealer in Warrington who closed down during Covid. Full service history for the whole of my ownership. Tracker fitted. Taxed to August 2024 and MOT to August 2024. Recent work includes underside rust removal and sealant, June 23. New nearside wheels and tyres due to pothole damage, July 23. New discs and pads, November 23. Inspection welcome.
