DESCRIPTION

Nuffield 465. Good starter and runs well. Fitted new starter, lift pump, some fuel pipes and battery in last 12 months. Has been painted at some time in the past. The lights aren't working and the brakes stick sometimes (I think lack of use doesn't help) Really needs 2x new front tyres and some bushes in the steering - wonders when in top gear! No Reg number , or log book. Just wants tidying up and new caring owner.
