DESCRIPTION

Here I have my 2.0 ford focus convertible for sale, it's had water pump and timing belt change done at 89k, new front drivers side baring done recently, new driveshaft bellow, new abs sensor. full service done which I do myself, the car is going in for mot on Friday, I have had it in for a pre mot already and done work needed for the car, I take my vehicles to formula one as they know me well and know I do all work to my vehicles. It has the age related marks on the car, all still there from when I bought the vehicle, roof works as you can see in photos, ideal for the summer, £1100 ono is the price, I won't accept stupid offers and no swaps, thanks for looking, any questions feel free to ask, mileage is 92132 on the clock, genuine miles. Mot certificate is now added, fresh 12 months from today, valuation is at top end no marks, so
